Welcome to your winter semester of TP English! This course is meant to increase your proficiency in oral expression and listening comprehension, while applying your skills to practical situations. Speaking IS a requirement so please come prepared!

Evaluations:

In this semester, you will have **2** evaluations, two speaking evaluations. Each evaluation is worth the same and your TP grade will be an average of these evaluations. Before each evaluation, you will be given an outline and a rubric.

Week 4: This will be your first speaking evaluation, I will provide the topic and give you time to prepare in class the week before. You will be expected to speak for a few minutes without using notes.

Week 8: This will be your second speaking evaluation, I will provide the topic and give you time to prepare in class the week before. You will be expected to speak for a few minutes without using notes.

Date changes are possible if there are changes to the timetable. I will always inform you the week before class. Please note that if you are going to be absent during the evaluation, you **MUST** tell me before the evaluation with proper validation or else you will receive a zero.

Attendance/Participation:

Attendance will be taken each week and participation in class is mandatory. If you are absent for a class, I would appreciate it if you can send me an email to let me know. I will post the activities and any important information on Moodle each week.

Expectations:

Please respect others as you want to be respected - listen while others are speaking
If you are +15 minutes late to class and have not notified me, you will not be allowed to enter
Phones should be put away and not used during class time unless the teacher says to
